1961 Prom Queen

LEFT TO RIGHT: Attendants, Glenn Ann Gausman, Ann Cook, Jean Puleston, Paula Wolfe; Crown bearers, Queen Karen and date, John Olander.

A record crowd of nearly 500 persons attended the 1961 Junior-Senior Prom April 28. The junior class honored the class of '61 at the season's biggest social event at the Student Union. John Gray furnished the music.

A garden scene was used to carry out the theme, "Some Enchanted Evening." A picket fence covered with flowers surrounded a garden. A flower-decked fountain was placed in the center of the garden and a flagstone walk led to the "queen's" throne.

The highlight of the evening was the grand march, followed by the crowning of the queen, Miss Karen Heinze. The attendants were Misses Ann Cook, Glenn Ann Gausman, Jean Puleston and Paula Wolfe. Forrest Boggs, junior class president, presided over the crowning ceremonies and assisting him were the crown bearers, Jayne Elliott and David Christner.

A banquet preceded the dance with nearly 400 attending, and afterward the couples attended a party sponsored by the Elk's Lodge.

At the Homecoming Dance everyone enjoyed the music of the Rhythm Airs. The highlight of the evening was the crowning of the queen and her attendants. Ann Cook was chosen Queen with Junior attendant Bobbe Terrell and Sophomore attendant Noelle Bergstrom.

The theme of the 1961 Homecoming was "Purple and Gold Rendezvous." The big event was kicked off with a roaring bonfire at Lincoln Junior High, Thursday. From there a snake line was formed weaving over to the Court House parking lot for a pep rally and a street dance.

On Friday the Assembly for Alums was presented. After school the parade wound from the school to the downtown area. Afterwards everyone came back to the school for a barbeque.

That night the football team lost a very disappointing non-conference game to Denver George Washington 20-14.

At half time the winners of the class floats were announced with Sophomores winning, Seniors second, and Juniors third.

The speaker party was sponsored by student council in an effort to raise money for speakers for our football field and the gym. A king and a queen were selected from the class which contributed the most money for the speakers.

SADIE HAWKINS DANCE

The traditional Sadie Hawkins Dance was held on a snowy November night. "Marryin' Sam" united several couples in "matrimony." Cider and doughnuts were sold at the candy booth.

Dear Sharon and Janet,

The Brigade of Midshipmen has considered it an honor to have been requested to choose the Lambkin King and Queen for 1962. With such an attractive group of young ladies and gentlemen to choose from, the selection was extremely difficult and the balloting very close.

In order to obtain a representative cross-section of Brigade opinion, the selection was voted on by midshipmen of each of the four classes, from the Brigade Commander, Midshipman Captain John Knubel, to that lowliest and most insignificant of mortals, the Navy "plebe." Throughout the balloting, the only regret from the Brigade was that they could not personally meet the candidates.

Again let me say that we have considered it our privilege to choose your King and Queen for 1962.

Carol Sue Brasseur

Hi Doris,
Well another day another year. And ole Student Council has sure been fun. Doris, good luck for treasures. I know you saved the place across the page for me but I decided to write on this one O.K.
Glenda

Doris,
I can't find any room on this page and since I want to write you a long letter, please save me room on the next page. Thru this annual I've made a lot of swell friends and had a great year. Hope you have a swell summer and a terrific senior year. Good luck in all your endeavors.

it is a Big Wide Wonderful World.

Doris, Love ya, always stay your self & know you'll go far

Don't forget -- I dont know what but don't forget it O.K.? I just had to start this that way because you didn't want me to, I'm pretty good at that!!! Doris, we had fun last year but this year! It is the most wonderful feeling to have such a wonderful friend, who I know will listen to all my problems and me. Doris we have had so many long talks & I know where either of us would be. I'll never forget all the advice you have given me, thank you. I really don't want to write what I'd really like to say because someone call us names but I've already been called many names, I guess a few more won't hurt. Doris, you're the most -- you have more personality, good sense of humor, (which really came in handy in some of our long talks!) pretty eyes, and more fun than any other PERSON I know! If you weren't so cute in the way you do things, I could have gotten awfully angry at you. Doris, I know our friendship isn't one which will actually wear off. I can assure that. That is one thing I will never worry about. If we can make it through our little troubles we had this year, we can make it through all the big troubles we will have in California. Doris I'll never forget some of the nights we called together or the times you weren't there when I needed you most but you were there in spirit, I know. Doris, I wish you the very most luck possible on the campaign, whatever! I wish you all the luck in the world on the results. There is no doubt in my mind as to how it will come out. More than anything, I want you to get treasurer. You know, I miss all the things we used to do together but I know something more special to each one of us will replace all of our good times we didn't get to have. Oh! Doris, I'm really looking forward to our future plans. Oh! I'm all excited, but that's the way I always get when I talk to you. If you weren't so neat, so tenderful, so understanding, so sweet, and so darn cute & if you didn't worry about me, and I about you, our friendship couldn't last, but not so I'm positive it will! I'll see you later we've got to get busy. You better have some of the keys for me when we get to Calif. I'll have a big suit! I better not say much more or it could mean trouble

PERSONALITIES

Doris,
This great personality has no choice but to sign here, under my heading. Doris, you are really the sweetest, most sincere person I know of in high school. Please don't think this is just typical requirements. I mean it from the heart. Please never change. You're wonderful. So fun having you in English what little I was there!
Warm friendship

Dorie,

Gee, it really doesn't seem that I've known you only a year. It has really been fun. I can remember the first time I went to Rico with you guys after the football game. It was really fun. and you said there wouldn't be a crowd but that was sure a laugh. Then when we involved Larry in a plot against Berty. I guess it wasn't very nice but it sure turned out all right — didn't it. You and Larry make a cute couple. You really deserve the best and Larry is sure that. Good luck in the future and keep that gleam in your eye. It will get you anything you want. You've got a wonderful personality and don't let anyone tell you any differen

Sue Oakley

Dottie,
Seriously, I think you are a most wonderful girl and I want to thank you for your friendship. You have one of the greatest personalitys of anyone I know. You have helped me so much in my fight against the devil one and I really appreciate it. This I can't say too much. I'm so so glad we've gotten to know each other better. Your warm smile and encouraging words have helped me more than I can ever say. If you & Norma go to California ever — please take care of my little ol girl. And of your self too. You've been such a great to Norma & I and I thanks the world of you. You'll make a wonderful treasure & please be good to Larry. We've got to go to Washington this summer. Dorsy, (alias - Doris)
"Well, should I remember" all the good times we've had, or should we forget them? Now that we're friends all those friends long ago seem kind of silly. Like when you 1st moved here, and using the "facilities" (very personal) on bus 9 & Sparrs (Sparrows now) for running away from you, but you knew how these things go.) and least you can all those little Doris, despite our past differences, I think you're terribly swell now, and I wish you all the luck in the world, especially in the upcoming campaign!
